

Help Restore the U.S. Constitution as the Law of the Land

Orange County FRW challenges all Federated members to join us in a postcard campaign to President Obama. Pre-stamped postcards for 31 cents can be obtained from your local post office. Clubs are requested to address and send the cards to:

*The Constitution,
Read it,
Follow it!*

President Barack Obama
The White House
1600 Pennsylvania Ave
Washington DC 20500

We hope that thousands of postcards will be mailed on July 4, 2010. I will be sending a letter to Fox News and other media outlets to challenge them to follow our example. This is easy. Anyone can do it. Mailing them on the same date from all our cities will make an impact. We are also taking this to NFRW so postcards will come from across the country.

***The Constitution,
Read it, Follow it***
